JOHN JACKSON PROBATE DAY IN THE DISTRICT COURT IS DECLARED INSANE

John Jackson, alias Bad Eye Jackson, was examined yesterday afternoon by a lunacy board, consisting of Judge N. J. Harris and Drs. E. H. Smith and C. E. Coulter, and adjudged insane. He was committed to the state mental hospital at Provo and will be taken to that institution tomorrow.

Jackson has been confined in the county jail the past two months, since which time he has behaved remarkably well, but prior to his incarceration he was obstreperous and vicious, attempting the life of a fellow prisoner on the city chain gang, striking his intended victim with an ax.

He served a term of six years in the state penitentiary for burglary committed in Salt Lake during which time the warden of the penitentiary says he was "a vicious degenerate."

CARD OF THANKS

We desire, through the columns of the press, to extend our heartfelt thanks to our many friends, who, during the illness, death, and burial of our beloved baby Francella May Freeland, extended their kindness and loving sympathy and especially to Mrs. William Pigott and Mrs. Chancie who kindly sang and played the requiem. May He who blesses for all good, ever reward you. Sincerely, James F. Freeland, Wife and Mother and Relatives. (Adv.)

SUES RAILROAD FOR LOSS OF HAYSTACK

The last of the eight jurymen in the damage case of Henry McCulloch against the Oregon Short Line company was sworn in Judge Harris' division of the district court this morning, and after the plaintiff's attorney made his statement of the case the introduction of testimony was begun.

The jurymen are: O. H. Barker, George S. Stewart, Thomas H. Emmett, Everett Neuteboom, Peter Minnoch, George F. Stalling, P. W. Keisely and B. F. Thomas.

Mr. McCulloch claims that on February 14 of last year his haystack containing about 50 tons of hay was destroyed by fire, the result of a spark from the engine of the defendant company. He also claims a loss of about \$200 in other material.

Mr. McCulloch resides at Harrisville.

WAS A SURPRISE.

Miss Lydia Raat was the victim of a most agreeable surprise last evening which occurred at the parental residence on Ballantyne avenue. Miss Raat, however, was not the only one surprised as the story will show.

The young lady had made arrangements to attend a dance with one of the young men who was a member of the surprise committee. He had also agreed to meet the crowd at the home of one of the other committeemen.

He was about an hour late, however, and thinking that the crowd had left the rendezvous, proceeded to the home of Miss Raat, in company with two other male guests who were also late.

And there, to the joy of the crowd was still waiting and when Miss Raat met three young men at the door instead of one, as she expected, and the young men failed to see the crowd, who, coming on the scene a little later found that the game was up, she joined the others in trying to figure out who was the most surprised, the three young men, the crowd or herself.

The good time in store soon drew them from the perplexing problem and the rest of the evening was a solid round of fun, including games, dancing and a delicious supper. There were about thirty guests present.

PLEASANT SURPRISE PARTY.

Last evening a merry party of friends gathered at the home of Mrs. J. B. Reynolds and feasted her a surprise party in honor of her birthday.

A pleasant evening spent at cards and music was enjoyed by about fourteen guests.

Red carnations and smilax were effectively arranged and decorated the parlor and dining room. At a late hour covers were laid for the following guests and a dainty luncheon served: Messrs. and Mesdames Virgil King, Roy Buchmiller, Irving P. Arnold, Albert Davis, Carl Allison, J. B. Reynolds and Miss Lida Boyle.

At 5:00, first prize was won by Mr. Irving P. Arnold.

GUESTS FROM LOGAN.

Mrs. W. H. Israelton, 2161 Madison avenue, has as guests for the week her mother, Mrs. H. J. Ames, and sister, Mrs. Luella Johnson of Logan.

END OF SUIT FOR DEFAMATION

No sooner was the case of Joseph Lauricen against Jose Castello called in Judge Howell's court yesterday afternoon than a motion on the part of the defendant against the introduction of testimony on the grounds that the complaint did not state facts sufficient to constitute a cause of action for defamation of character, was made before the court and sustained. This brought the hearing to a sudden termination.

The plaintiff was given 20 days in which to amend the complaint, and the defendant was given an additional 20 days in which to answer.

LABOR NEWS OF ALL COUNTRIES

Appalling figures showing the loss of life among workers in California will be presented to the laborer in a report that is soon to be completed by the accident board. During the year 1912 402 men were killed in industrial accidents and more than 10,000 temporarily or permanently injured.

According to official statistics just published, the number of trade agreements reported as being in force on January 1, 1911, in Germany, was 8039, relating to 162,418 establishments and to 1,38,999 work people, while on December 31 there were 10,520 agreements, covering 183,232 establishments and 1,652,827 work people.

To the Bulgarian trade unions falls the lot of providing for the organization of the workers and those whose husbands or sons are on the field of battle. The desperate misery in which the workers and their families live is indescribable. Their lot is ever harder and less bearable, on the one hand from the extraordinary increase in the price of provisions, and on the other hand through the rigors of the pitiless winter.

With the object of improving conditions of employment of women and children in Canada by means of giving publicity to such abuses as are found to exist, Hon. T. W. Crothers is appointing women to correspond for the Labor Gazette in Montreal, Toronto, Winnipeg and Vancouver. If the experiment is successful other female correspondents will be appointed for other cities. These correspondents will be required to study the report monthly upon conditions of employment of women and children in domestic service, as well as in shops and factories.

At the next convention of the International union of Sheet Metal Workers an effort will be made to establish a home for members of the craft.

CONSPIRACY CASES ARE DISMISSED

Tokio, Mar. 20.—Ninety-nine of the Koreans, charged with conspiring against Governor-General Count Teruchi of Korea in 1910, were found not guilty by the court today, according to a dispatch from Seoul.

The judges sentenced Baron Yun Chi-Ho, a former Korean cabinet minister as well as Yan Ki-Tak, a Korean editor and three others to six years imprisonment each.

At the first trial Baron Yun Chi-Ho and several of the more prominent prisoners were sentenced to ten years imprisonment and the others from terms of five to seven years each.

POSTMASTERS ARE RESIGNING

Washington, Mar. 20.—Because of the extension of the classified civil service to include fourth class postmasters and the announcement that

postmasters of that class would be subjected to a competitive examination, the postoffice department is receiving nearly twenty resignations a day. Officials declare that about 2,000 fourth class postmasters have resigned since the executive order carrying them into the civil service was issued.

Practically all of the resignations are from postmasters where the salary is merely nominal and where at times the expense of conducting the office equals the postmaster's compensation. In many of the cases it will be difficult to secure applicants who will take the prescribed examinations. While the department is endeavoring to secure new postmasters, the incumbents, although they have resigned, will be forced to discharge the duties of the office.

NEW TREASURER FAILS TO REPORT

Washington, Mar. 20.—John Burke, former governor of North Dakota, the new treasurer of the United States is lost as far as the treasury department is concerned. He was expected in Washington last night to take the oath of office today, but had failed to appear at the appointed time and Secretary McAdoo has not heard from him.

The department is anxious to receive the new official, because his entry into office means the necessity of counting the nation's wealth. To verify the accounts of Carmi Thompson, retiring treasurer the fold, silver, currency and securities in the treasury vaults actually will be counted by a committee which secretary McAdoo is to appoint as soon as Mr. Burke is sworn in.

UNCLE JOE GLAD HE IS A PRIVATE

Danville, Ill., March 19.—"Tell the American people that I think it great to be a plain American citizen again," said "Uncle Joe" Cannon as he emerged from his residence shortly before noon after a refreshing sleep.

Mr. Cannon, travel-worn and alone, arrived from Washington last night. Mr. Cannon, greeted by friends and neighbors on every side, was more than an hour going from his home to the bank, where he is principal owner. After a service of forty years "Uncle Joe" as he is known to most persons of the town for a second time is a private citizen and he seems to enjoy the sensation.

The citizens of Danville are planning a banquet to be given Mr. Cannon later.
